I have been told that I have the right to consult with an attorney before signing this document, but I knowingly and freely waive that opportunity and choose to sign this document without consulting with an attorney or seeking the prior assistance of any attorney or other advisor.

I acknowledge that by signing this document, I may be waiving rights and defenses I might otherwise interpose regarding this debt. I waive the right to have a complaint upon this obligation filed against me in federal district court; the issuance of and service of process upon me of such a complaint; any venue requirements in such suit; the right to obtain discovery from the government as to the evidence of its claim; the right to a jury or court trial at which I could raise any objections or defenses to the governments's claim; the right to require the government to prove its claim by preponderance of the evidence; and the right to appeal any adverse decision by a court or jury to the court of appeals. I understand that my signature allows the government to enter a judgment against me right now; that the government will record an abstract of judgment with the County Recorder; and that the judgment may appear on my credit record.

I also understand that if I fail to pay upon this judgment to be entered against me, my salary may be garnished, or my real or personal property seized.
